

What do I need in a P.C. ?

- ✓ You require a reasonably fast PC with a high quality sound card.
- ✓ Must have Line-in or High Definition Audio not just a mic input.
- ✓ Or the ability to add an external (USB or PCMCIA) Sound Card
- ✓ I would suggest at least a Pentium III with minimum 512k of RAM.
 - ✓ Hard drive size determines how many files you can store.
 - ✓ 30 - 40 gig should be considered minimum.
- ✓ My laptop is an Intel P-IV, 2.6 gig -1gig RAM / 60 gig hd.
 - ✓ It is very sufficient to perform
